

ACTIVITY SHEET

UNDERSTANDING AND BUILDING OUR WORLD AND OUR STORIES TOGETHER

At the McCord Museum, we use objects, stories and shared experiences to help our visitors better understand the world around them, no matter their age or background.

With our **participatory approach** and our **civic perspective**, we prioritize **observation**, **interrogation**, and **dialogue** in our activities.

Type of activity: Tour

Activity title: Christian Dior

Target audience: CEGEP — Adult — Senior — University

Educational area: Fashion, Arts

Length: 45 minutes

Description of the activity

Creative genius Christian Dior revolutionized the glamorous and opulent world of Parisian haute couture with his very first collection. Launched during the Second World War, the *New Look* collection redefined the female body by breaking away from the masculine forms of earlier decades. Dior's effect was immediate. His creations came to embody French culture, and women around the world purchased or copied his pieces. The tour of the exhibition explores Christian Dior's fascinating creative process through the designer's most emblematic gowns and considers the workings of haute couture and fashion as social and political phenomena.
